## National News—1965

**1 A Wave for Friends**—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

**2 Pioneer in Space**—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

**3 Medicare Bill Signed**—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

**4 Temporary Mood**—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

**5 Double Space Spectacular**—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

**6 Plea for Peace**—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

**7 After Surgery**—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

**8 Proud Student**—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

**9 Blackout**—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

**10 New Ambassador**—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

**11 Startling Fashions**—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

**12 Royalty on Tour**—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Nothing stays,  
Not even change,  
That can grow tired  
Of its own name;  
The very thought  
Too much for it.

Somewhere in air  
A stillness is,  
So far, so thin —  
But let it alone.  
Whoever we are,  
It is not for us.

Mark Van Doren

To change, to grow, to expand our horizons, to  
give us a new perspective of ourselves, our lives,  
and our worlds . . . This is the challenge of edu-  
cation; it is up to us to accept this challenge.

to the Clerk of Court  
Education is the key to the future, but it is not enough to  
drive a child to school. It is the responsibility of the community  
to do something to help the child. The child is the future of the  
will never know.

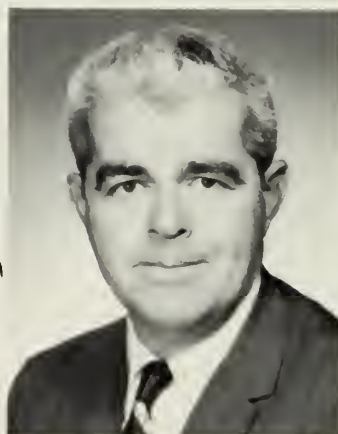

Disability is not a handicap. It is a challenge. It is a test of  
character. It is a test of courage. It is a test of faith. It is a test of  
strength. It is a test of endurance. It is a test of perseverance. It is a test of  
determination. It is a test of will. It is a test of spirit. It is a test of soul.

## *WONDERLAND BY NIGHT*

"Wonderland by Night" proved to be a huge success for the Class of '66. A lot of hard work was contributed by all, the final effect being dazzling. All those who worked hard and long hours will agree that they felt a great deal of satisfaction in viewing the finished results. That night, after din-

ner, 200 couples passed through the reception line to enter the wonderland of blue lighting, blue balloons, and Scituate shoreline decor, for an evening of dancing to the music of Harry Marchaud. The peak of the evening came when Barbara Lockheed was crowned queen . . .

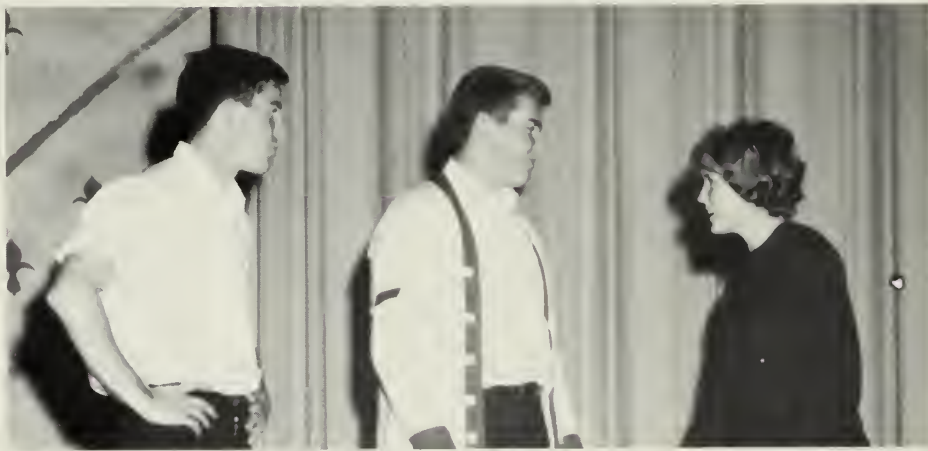

Ar you for real?

## "George Washington Slept Here" By SHS Seniors

SCITUATE - On December 10th and 11th, "George Washington Slept Here", a three-act play by Moss Hart and George Kaufman, will be presented by the Senior class of Scituate High School at 8:00 p.m. in the Scituate High School Auditorium.

Under the expert guidance of Mrs. Kenneth Brown, director of the play, the cast and crew have been working diligently since October to make this year's production the best ever.

The play opens with the arrival of Newton Fuller (William Dickinson) and Annabelle Fuller (Katie

MacKay) at their newly purchased dilapidated farmhouse in Pennsylvania. Unacquainted with the crude and serene life of the country, many unusual circumstances arise which provide an evening of enjoyment.

Other members of the cast include: Mr. Kimber - William Fowler; Madge Fuller - Beth Byer; Steve Eldridge - Dennis Gleason; Uncle Stanley - Donald Blanchard; Katie - Sally Thompson; Mrs. Douglas - Patricia Cook; Clayton Evans - Richard Park; Rena Leslie - Paula Galinas; Hester - Charlene Senecal; Ray - Janette McDonald; Leggett

Frazer - Robert Gilson; Mr. Prescott - Thomas Mendleson; Miss Wilcox - Linda Holds; Sue Barrington - Barbara Peters; and Thomas Hughes - William Richardson.

Congratulations to Coach Mahoney in his first year of head-coaching at Scituate High. A lot more can be said about our team than a seemingly mediocre 3-6 record. Co-captains Joe Tibbetts and Bill Connolly led the team into some cliffhangers, with every Saturday promising a thrilling contest and a final score decided by only a few points.

Tommy Twigg and John Lazarovich overcame injuries to sparkle in the clutch, while Sammy, Bubba, Weaf, Del, Tommy, and Dennis provided good competition all around.

The Junior Varsity finished with a very successful season, a good sign for future years.

With 8 wins and 2 losses, Scituate finished 2nd in the league tied with Holbrook, and only one place behind the champions, Cohasset. The successes of this fine season were due to the fine coaching ability of Mr. Perkins and his assistant Wendall Sides. A great season is in store for the team next year with the top seven and nine out of top ten runners returning.

## BOYS'

The Boy's Basketball Team finished the year with a 7-9 league record, although this didn't really show the boy's ability as they lost three or four seat-squirmers. A highlight of the season occurred when the team upset Norwell, 63-60. After the regular season ended, Coach Keenan entered the team in the Bay State Tourney, and, absent the senior boy's, they worked their way up to the finals held in Woburn. With this kind of hustle, the 1967 season promises to be one of the best ever.

## World News—1965

**1 Humanitarian Dies**—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

**2 Queen Speaks**—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

**3 Miss Universe**—The reigning queen of beauty in the universe during the year was a representative from Thailand.

**4 Bosch Returns**—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

**5 Wins in Run-Off**—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president.

**6 Agrees to Cease-Fire**—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

**7 Abortive Coup Fails**—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

**8 Soviet Winner**—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

**9 Return to Desolation**—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

**10 Price of War**—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

**11 Reason to Celebrate**—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

**12 Colonial Rule Shaken**—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
